

Simcoe County Hamfests
Saturday May 13th, 2023
Saturday September 16th, 2023
9:00 AM – 1:00 PM
Grenfel Community Center
1989 Sunnidale Road, Springwater Township
Talk In, 146.55 Mhz Simplex
Free Admission, Vendors \$5.00

Last year's edition of the Simcoe County Hamfest was a great success, thank you to all who participated and a special thanks to those who contributed to the Grenfel Community Center fund. Thanks also to Radioworld and Hockshop Canada for their generous contributions of door prizes.

When asked if the preference would be for Spring or Fall the response was both! So double up on the fun it is, we have two dates this year.

This year admission is still free and vendors only \$5.00. Again we are asking for donations to the Grenfel Community Center fund without whose generosity this event would not be possible.

The Simcoe County Amateur Radio Enthusiasts will be providing the talk in station on 146.55 Mhz Simplex and the refreshments.

There will be an after event lunch at a local restaurant to be determined.

Vendors, bring your own tables and chairs or tailgate as you like. If the weather is wet, there is lots of room in the rink. Set up starts 8:00 AM.

The rules are simple, respect the site, it's neighbors and each other by being clean and quiet. Vendors, if you don't sell it, it goes home with you. No dumping. Visitors, respect the setup time, opening is 9:00 AM

Oh, I forgot the most important rule, Have fun and enjoy yourself!

Best Regards, 73
